

U3E1: Los Sentimientos (Feelings)

Feelings are expressed by using a form of the verb “estar” + the feeling (which is an adjective). Remember adjectives change in gender and number to match the noun or subject.

1. Divide a computer size piece of paper into twelve squares either by folding or drawing them. (10 Pts.)
2. In each square, write a word that expresses an emotion in syllables as shown, being careful to spell it correctly. (Use the dictionary) (30 pts.)
3. Draw and color a simple picture to illustrate that emotion. (30 pts.)
4. Write the definition under the word. (10 pts.)
5. Make up an illustrative sentence that shows that you know how the word is used, as shown below. The words “cuando” or “porque” are useful to explain the situation. (20 pts.)
